RENEWED PETITION UNDER CFR 1.181

Sir:

This is in response to the United States Patent and Trademark Office Action mailed May 2, 2001, in which the Petition filed January 24, 2001 was dismissed on the grounds that certain elements of the required Petition were not provided therein.

By this Renewed Petition, the previously submitted Declaration of Mr. Friedman is resubmitted to add that Mr. Friedman has reviewed the computerized database, which shows all new docket entries. The new docket entries between Feb. 2, 1999 and Feb. 9, 1999, entered in the computerized database, show that no such Notice of Missing Requirements or any other action was received by him with respect to this application.

Accordingly, pursuant to the holding of *Delgar, Inc v. Schuyler*, 172 USPQ 513, Applicants have submitted sufficient facts to support the contention that the Notice of Missing Requirements was never received by the Applicants representatives.

OFFICE OF PETITIONS

In view of the above, the Notice of Abandonment should be withdrawn and a new Notice of Missing Requirements be mailed in the subject patent application. It is believed that this Petition does not require a fee, but if one is required, authorization to charge Deposit Account 06-2140 is hereby granted.

Respectfully submitted,

Mark M. Friedman
